

House Amendment 8263

PAG LIN

1 1 Amend House File 2734 as follows:
1 2 #1. Page 59, by inserting after line 27 the
1 3 following:
1 4 <Sec. _____. Section 249J.6, subsection 2, paragraph
1 5 a, Code Supplement 2005, is amended to read as
1 6 follows:
1 7 a. Beginning no later than March 1, 2006, within
1 8 ninety days of enrollment in the expansion population,
1 9 each expansion population member shall participate, in
1 10 conjunction with receiving a single comprehensive
1 11 medical examination and completing a personal health
1 12 improvement plan, in a health risk assessment
1 13 coordinated by a health consortium representing
1 14 providers, consumers, and medical education
1 15 institutions. An expansion population member who
1 16 enrolls in the expansion population prior to March 1,
1 17 2006, shall participate in the health risk assessment,
1 18 receive the single comprehensive medical examination,
1 19 and complete the personal health improvement plan by
1 20 June 1, 2006. The criteria for the health risk
1 21 assessment, the comprehensive medical examination, and
1 22 the personal health improvement plan shall be
1 23 developed and applied in a manner that takes into
1 24 consideration cultural variations that may exist
1 25 within the expansion population. The health risk
1 26 assessment shall utilize a gender-specific approach
1 27 that assesses health risk factors unique to men and
1 28 women. Specifically for women, in addition to health
1 29 risk factors identified for both men and women, the
1 30 health risk assessment shall include queries and
1 31 provide for necessary laboratory tests relating to
1 32 musculoskeletal health including but not limited to
1 33 osteoporosis, endocrine and hormonal health including
1 34 but not limited to thyroid health, and sexual and
1 35 reproductive health including but not limited to
1 36 fertility-related issues and sexually transmitted
1 37 diseases. In developing the queries unique to women,
1 38 a clinical advisory team shall be utilized that
1 39 includes women's health professionals including but
1 40 not limited to those with specialties in obstetrics
1 41 and gynecology, endocrinology, mental health,
1 42 behavioral health, oncology, cardiology, and
1 43 rheumatology. The health risk assessment shall also
1 44 provide queries relating to an individual's
1 45 environment, including but not limited to the presence
1 46 of domestic violence.>
